Compton Ave, **Steelz**, **Snoop Dogg** & **310babii** have just released the remix of***YAYA*.** The title, now officially published as ***YAYA (Remix)***, brings together the rappers around a reworked version of the track with the contribution of the Californian legend ***Snoop Dogg*** and young talent **310babii** alongside **Compton Ave** and **Steelz**.

This remix was put online in early December 2025 and is available on all major streaming platforms.

In this new version, ***Snoop Dogg*** brings his iconic flow while **310babii** adds verses that complement the West Coast style perceived on the original, giving ***YAYA*** a broader dimension within the rap ecosystem.
