The Spanish version is currently in BETA mode.

The cornerstone of Montreal rap **Lost** continues to make a strong impact. Since March 3, 2026, his new single ***Shot Kalla*** has dominated streaming platforms, quickly reaching 19th place on the music trends chart. This track is more than just a release: it marks the official kickoff of his eighth studio album under the **Disques 7ième Ciel** label.

From Cartierville to the top of Francophone rap

Hailing from Cartierville and proud of his Cameroonian roots, **Lost** has made an impressive journey since his debut in 2015. As an influential member of the collective **5Sang14**, he has built a monumental solo career, amassing over 160 million streams and 100 million views on YouTube.

With a 35-date tour across Quebec in 2024-2025 and notable collaborations with artists from the French scene, he confirms his status as a leading figure in Quebec Hip-Hop.

See you at MTELUS for the Francos

The wait for the new album will end this summer. **Lost** will take the stage at **MTELUS** on June 20, 2026, for a launch concert expected to be unforgettable as part of the **Francos de Montréal**. Tickets are already available through the usual ticketing channels.
